You are cordially invited to join us at a special luncheon in honor of Mike Rowse, Director-General of Investment Promotion.

As China and Asia continue to deliver the phenomenal growth unleashed over 30 years ago, Hong Kong maintains its position as the leading platform for global companies managing business operations in the Asia Pacific region. Mr. Mike Rowse will describe how U.S. companies have leveraged Hong Kong's unique business and strategic assets after 10 years under the One Country-Two Systems policy. He will offer insights on the role of Hong Kong in helping companies deal with challenges in the China market. He will present the strengths of the rule of law in Hong Kong on the protection of intellectual property, and describe the economic benefits of the Pan Pearl River Delta Regional Cooperation initiative for companies doing business through Hong Kong.

RSVP by September 4, 2007 to Brenda Montgomery at bmontgomery@memphischamber.com.

We look forward to seeing you.
